

## SEEDLING TREE ORDER FORM 2023/2024

### IMPORTANT INFORMATION

- **CHOOSING VARIETIES:** Not every species of plant will grow in every location. While all the species offered are winter hardy, each customer is responsible to plan and research species suitable to individual circumstances.
- **ORDER EARLY:** Not all orders are guaranteed. Customers will not be charged for items that are cancelled due to unavailability. Orders will be taken until **April 15, 2024.**
- **PRICES:** Prices shown include shipping.
- **PAYMENT:** Payment will be expected at the time you pick up your order.
- **ORDER:** Orders can be placed online at [shoshonecd.com](http://shoshonecd.com) or with an order form from the Shoshone Conservation District office at 359 Nevada Ave; Lovell, WY
- **SHIPMENT:** Seedling trees will arrive at the end of April or beginning of May. Shoshone Conservation District manager will contact you via email when your order arrival date is available. Seedlings must be picked up within 1-2 days of arrival. The Shoshone Conservation District is not responsible for the care of seedlings after this time!
- **SEEDLING TYPE:** All seedlings on order form are bareroot seedlings, unless otherwise noted .
